

**Dorset
Declares**

What would happen if every
Business and Organisation in
Dorset declared a climate
emergency? **And took Action**

What is Dorset Declares

- A Simple & Clear Communications Campaign to encourage action & engagement
- A Video Led Campaign with Young People
- Engaging businesses and organisations with the idea of encouraging deeper collaboration and innovation in Sustainability
- Building towards a community led Climate Action Partnership across Dorset & BCP

**Dorset
Declares**

Creating a Dorset & BCP
Climate Action
Partnership

Website: www.dorsetdeclares.com

- A Community Led Partnership – Co-Creative & Collaborative
- Develop an Innovation Hub for Dorset around Sustainability & Climate Change
- Link Decision Impact Assessment tools to Procurement, the Supply Chain &

Innovation

How You Can Help

Website: www.dorsetdeclares.com

- Help Co-Create the Campaign – Follow-up Zoom Conversation
- Promote the Campaign to Businesses & Community Organizations
- Link us with people who can help organizations develop climate emergency plans and help implement them.
- Help us to develop an innovative community led Climate Action Partnership across Dorset & BCP.
